

## Homework 6

Due: Tuesday, March 9 – 23:59 EST

### Problem 1: Grade Type Change Deadline

The *Grade Type Change Deadline* is March 19. Latest by this date, you have to decide whether you want “pass/fail” or a grade (A, B, C, ...) for this course. Think about this carefully!

### Problem 2: Date for the second midterm

Similar to the first midterm exam, the second midterm exam will be a take home exam. I will try to make it comparable to the first midterm exam.

On Canvas, there is a survey regarding the date for the second midterm exam. You can choose between the following two options:

1. Out Friday, March 12 (10:00 EST) – due Thursday, March 18 (10:00 EST),
2. Out Friday, March 18 (10:00 EST) – due Thursday, March 25 (10:00 EST).

The first option may be interesting for those, who struggle with their response to problem 1. Fill in your preference no later than Monday, March 8 (9:00 EST).

The exam will take place in the week which receives more votes. In case of a draw, I reserve the right to make the decision.

### Problem 3: Revise the lecture

Read the lecture notes, ask and answer questions in Piazza.

### Problem 4: Enjoy your spring break!

We are having *spring break* from Wednesday, March 10 to Thursday, March 11. In particular, there is no lecture on Thursday, March 11. The next course work will be released on Friday, March 12. Depending on the votes to problem 2, it will either be the second midterm exam or assignment 7.
